

## SIX NEW COUNTIES NAMED.

## After Hard Fight in House Committee's Report Adopted.

Atlanta, August 14.—Six of the proposed new counties as reported by the house committee—Taft, Crisp, Grady, Turner, Jenkins and Jeff Davis—were put through Friday by the house in two three order, and that similar action awaits the two remaining—Stephens and Toombs—there can be no doubt.

From the start it was apparent that the majority of the members of the house had determined to support the committee report throughout. They felt that the committee had worked hard and diligently upon the matter, had gone into every phase of it, and had made as careful and as fair a report as it was possible for them to make.

Under these circumstances the house voted down practically every amendment offered which did not meet the approval of the new county committee, and passed the bills as rapidly as they could be reached.

## No Extra Session.

The house very promptly and effectively sat down upon a resolution by Mr. Spence, of Ware, requesting the governor to call an extra session of the general assembly until the new county business can be disposed of. That the extra session should be held without expense to the state, and should only be held in the event it was impossible to complete the new county business at the regular session.

Upon motion of Mr. Felder, of Bibb, the Spence resolution was referred to the far-famed committee on the state of the republic, which has never been known to hold a meeting. This about as effectively disposed of the resolution as could an adverse vote.

## In the Senate.

With substantially no opposition the reformatory bill of Mr. Felder, of Bibb was passed by the senate Friday. The vote was 34 to 1, Senator Mills casting only opposing ballot.

An important amendment offered by Senator Hamby was passed by the senate. This amendment relates to the location of the reformatory, and provides that it shall be located on the prison farm at Milledgeville.

The resolution introduced by Chairman McHenry, of the committee on immigration and labor, and signed by all members of the committee, providing that the child labor bill be made the special continuing order in the senate next Tuesday morning at 9 o'clock, was adopted by the senate.

## A Warning to Mothers.

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil is unwholesome and has a tendency to gripe. If it does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

## Tearing Experience on Pike's Peak.

Leadville, Colo., August 14.—Mrs. M. Caldwell, two sons Roy and Howard, aged 15 and 10 years, of Des Moines, Iowa, went through the thrilling experience of being struck by a bolt of lightning on the side of Pike's Peak while endeavoring to complete the trip to the summit and back. They started out at 10 o'clock and at Windy Point were overtaken by an electric storm when a sudden flash of lightning struck them to the ground unconscious. They were found by a man coming down the cog road and were taken to a nearby house, where they remained for the night. The woman was turned about the lower limbs but was able to complete the walk to the summit and returned here by train.

He was asked to take Foley's Kidney Cure at the first signs of kidney trouble, and it would wear away, and he was even a victim of Bright's disease. There is danger in delay, but if Foley's Kidney Cure is taken at once the symptoms will disappear, the kidneys are strengthened and you are once more sound and well. A. H. ## FIGHT OVER DISPENSARY.

## South Carolinas Getting Warm Over This Question.

Columbia, S. C., August 14.—C. O. Smith, who has figured prominently in the dispensary investigation so far in the testimony of other witnesses, was put on the stand for the first time Friday. There were two sensational incidents in his testimony. He testified that he found J. H. Morris, who had testified against Smith, in a house of ill fame drunk.

"You are a liar," said Morris, who for election has been dispenser. Wall seat promptly.

"You're another," retorted Smith, and the chairman rapped for order and finally objected to it.

The other sensational incident was the admission of Smith that he had offered \$500 to Wall, another member of the board, to support Thackstone for election as beer dispenser. Wall was not in the court room, but an affidavit read by Mr. Lyon said practically the same thing, although it did not mention Smith's name.

## A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne county, Mo., writes: "I have little twin girls, who have been bothered with worms all their lives. I tried everything to relieve them, which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is an excellent medicine." White's Cream Vermifuge is good for children. It not only destroys worms—it helps the child to perfect growth, wards off sickness. Sold by W. M. Johnson.

## Given Up to Die.

B. Spiegel, 124 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run-down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good, and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me relief, and after taking the
